Subpart A [Reserved]

Subpart B—Inmate Personal Property

§ 553.10 Purpose and scope.

It is the policy of the Bureau of Prisons that an inmate may possess only that property which the inmate is authorized to retain upon admission to the institution, which is issued while the inmate is in custody, which the inmate purchases in the institution commissary, or which is approved by staff to be mailed to, or otherwise received by an inmate. These rules contribute to the management of inmate personal property in the institution, and contribute to a safe environment for staff and inmates by reducing fire hazards, security risks, and sanitation problems which relate to inmate personal property. Consistent with the mission of the institution, each Warden shall identify in writing that personal property which may be retained by an inmate.

§ 553.11 Limitations on inmate personal property.

(a) *Storage space.* Staff shall set aside space within each housing area for use by an inmate. The designated area shall include a locker or other securable area in which the inmate may store authorized personal property. The inmate shall be allowed to purchase an approved locking device for personal property storage in regular living units.

(1) Staff may allow an inmate to retain that authorized personal property which the inmate may neatly and safely store in the designated area.

(2) Staff may not allow an inmate to accumulate materials to the point where the materials become a fire, sanitation, security, or housekeeping hazard.

(b) *Clothing.* Staff may allow an inmate to retain that clothing, whether civilian (at institutions where authorized) or institution, which the inmate is able to neatly store in the space provided.
